

From the Desk of Santa Claus

☆ NORTH POLE ☆

Dear _____,

Ho, ho, ho! I have happy news from the North Pole. You are on my Nice List!

My elves and I heard how hard you tried this year. You were kind to others. You shared, you helped, and you said sorry when things went wrong. Those things make my heart glow brighter than the stars.

Up here, the reindeer practice their flying every day, and the workshop is busy with toys. Mrs. Claus is baking, and the elves sing while they work. We are all getting ready for a very special night.

Keep being the kind and wonderful person you are. I am so proud of you, and Christmas is almost here!

Love,

Santa
